“Through the many speakers, missionaries and people’s kind smiles I was able to truly grasp what God’s love looks like as it radiates from others.”

- Danielle, The University of Dayton, Ohio

“I have never experienced so much spiritual joy and encouragement in such a short time. I am so fortunate. I am definitely coming back.”

- Pete, University of North Florida

“This has been a truly great weekend. I pray now that I go back to the fight and lead troops. Lead not by words alone, but by example. I want people to see in me that I am a Catholic by looking into my eyes and physically seeing the grace that God has given me. Thank you, FOCUS.”

- Preston, U.S. Naval Academy

“During this Conference I have realized my call to be my best self in all things I do—with school, as a sister, as a daughter and disciple. I now know that there are many young people my own age with the same “fire” for Christ.”

- Judi, Troy University
